

## Concord Crossing - Concord, MA

Concord Crossing's unique design blends studio and 1 bedroom apartments. The elevator in the building allows for easy access, and a small separate building has larger townhomes. Concord Crossing's location between the Thoreau Street retail district and a residential neighborhood combines the best of both worlds, and is within walking distance of the MBTA commuter rail, the public library, and historic Concord Center.

- Elevator in building for easy access
- Studio/1 bedroom apartments - bright and open floor plans
- Some apartments have balconies and skylights
- Kitchens are fully applanced with electric range, built-in microwave, Estar Rated refrigerator, and Estar Rated dishwasher
- Gas for heat and hot water are included
- Central air conditioning
- Coin operated laundry and private storage area in building

Separate building at Concord Crossing includes:

- 1 bedroom, 1 bath on single level and 2 bedroom, 1-1/2 bath on multi-levels
- Some have fireplace
- Kitchens are fully applanced with electric range, built-in microwave, Estar Rated refrigerator, and Estar Rated dishwasher
- Connections for washer/dryer in apartments
- Each unit has its own energy efficient gas furnace, hot water heater and central air conditioning system
- Private storage area
